Notifications by the Govt. of India: Resident: Chief Court, &c.

REGISTRATION DEPARTMENT.

To—The Registering Officers in Mysore, Circular No. 13 *of* 1892-93, *dated, Bangalore,* 10*th May* 1893.

With the sanction of the Government conveyed in Government Proceedings No. 16491—J. 917, dated 22nd March 1893, the Inspector General of Registration has the honor to state that the prohibition contained in the marginally noted Circulars regarding the registration of documents evidencing alienations by sale, mortgage or otherwise of *Inam lands* is not strictly legal, and that it is hereby withdrawn.

No. 1—15, dated 9th February 1866.
No. 21—17, dated 5th February 1870.
No. 25— 4, dated 29th June 1870.
No. 2, dated 2nd May 1885.
No. 8, dated 4th September 1886.

2. As the registration of a document is simply an evidence of its execution and does not and cannot confer any right which the document itself cannot convey, it appears to the undersigned that a Registering Officer cannot well refuse to register a document presented to him except for reasons mentioned in the Registration Act itself.

3. As it is however desirable that a record should remain with the Executive Revenue Officers of all unauthorized alienations, copies of such of the documents presented for registration as are opposed to the instructions conveyed in the above mentioned Circulars, should be forwarded to the Deputy Commissioner of the District to which the Registering Officer belongs.

C. MEENACSHAIYA,
Inspector General of Registration in Mysore.
